***ATTN: Mahoning Valley Professional***

The ***Mahoning Valley Labor Management Council (MVLMC)*** participates in a statewide network of labor management professionals. MVLMC assists employees and employers in developing initiatives, encouraging innovation and flexibility, and preparing for the challenges of global competition.

Membership in the MVLMC is open to unions, management, public organizations and government officials.

MVLMC helps companies stabilize and prosper by promoting employee involvement, therefore, contributing to economic development in the area.

Our organization specializes in cooperative trainings which emphasize the joint effort of both labor and management personnel in solving workplace-related issues.

Join us in becoming a member of MVLMC and a lead organization in Mahoning Valley's future. Choose from the following memberships:

- Organizational memberships are \$100 per year.  
*(Includes both labor and management representatives)*
- Individual memberships are \$25 per year.  
*(Includes representatives from either labor or management)*

Please join MVLMC to strengthen our economic future.

Sincerely,
